Pool Survey Form

North Fayette Township would like to have the input of the entire community regarding the possibility of a new pool.

We are offering this survey via our website, on Facebook, and a paper version so our residents will have the opportunity to voice their opinion.

Paper surveys will be available at the North Fayette Community Center, 580 Donaldson Road, Oakdale, PA 15071.

The information gathered will be used to help direct the pool committee and the Board of Supervisors to further the process of pursuing a new pool for North Fayette.

Thank you in advance for your participation!

North Fayette Earns Silver Certification from the Sustainable Pennsylvania Committee

North Fayette Township is proud to announce that we are among a select group of high performing municipalities to become certified through the Sustainable Pennsylvania Community Certification program. We were recognized at the Silver level of certification for meeting the program's rigorous performance criteria which tracks 131 policies and practices that define a sustainable community.

The Sustainable Pennsylvania Community Certification, administered by the Pennsylvania Municipal League in partnership with Sustainable Pittsburgh, is designed for municipalities that are working to save money, conserve resources, and serve vibrant communities.

In earning the Silver certification, North Fayette Township is acknowledged for its progress in addressing such areas as community design and land use, energy efficiency, health and wellness, intergovernmental cooperation, recycling and waste reduction, fiscal controls, and internal management and operations.
