## North Fayette Introduces the Military Banner Program!

North Fayette Township has always taken great pride in the men and women who have served our country in its times of need. Now we'd like to invite you to help us honor your friends and family who have served our great country.

This program includes a 24" x 36" banner that will be displayed by the township between Memorial Day and Veteran's Day, two banners for the family to display as they wish, and presence on the [troopbanners.com](http://troopbanners.com) website.

To participate, simply complete the application and bring it to the Township Building along with payment of \$99 and a good quality photograph or image file.

We'll scan your photo, place your order, and contact you when your family banners are ready to be picked up.

Detailed information and the application form can be found on our website under the "Community Header" --> Military Banner Program.

## Changes in Recycling Effective Immediately

Due to changes Waste Management has implemented at its recycling plant, North Fayette will no longer be able to pick up any items with a **Triangle No. 6** or **plastic bags** of any type as part of curbside recycling. This means no thin plastics or plastic bags with or without a recycling triangle. We will still accept plastics marked #1 - 5 & #7.

Please visit our website for additional information and we thank you in advance for your participation.
