### 2018 Holiday Sanitation Schedule

Sanitation pick up will be affected **only on these dates**. There will be no pick up and services will be delayed one day for the rest of these weeks.

- Labor Day, Monday September 3
- Thanksgiving, Thursday November 22
- Christmas Day, Tuesday December 25

## Utility Bill Scam Alert

We are issuing a warning to our customers and residents about possible suspicious phone call activities involving individuals claiming customers' service will be disconnected for failure to make payment.

It can begin with a received phone call instructing you to call a toll-free number to make payment and to avoid disconnection of service due to non-payment. In some instances, customers may be provided a "reference code" and instructed to go to local drug or grocery stores, where they would be approved for an "express payment" on their bills or even instructed to purchase gift cards.

The individuals making and receiving these calls **are not** North Fayette Township employees, and all residents should exercise caution if someone claims to be with the Township or water authority and asks you to call them for payment of a bill.

You will never be called by North Fayette Township to make a payment regarding your account or asked to go to a local drug or grocery store to make payments. The Township will only contact you for non-payment by US Mail.

If you are concerned about someone who has called your home regarding your sewer or trash service supplied by North Fayette Township, please call the office at 412-788-4888 or 724-693-9601 during regular business hours, Monday through Friday, 7:00am - 5:00pm.

As a secure way to verify the status of your account and verify if a payment is due, the Township recommends that you either have or create an account with our payment processing service (PSN) via our website

## Changes in Recycling Effective Immediately

Due to changes Waste Management has implemented at its recycling plant, North Fayette will no longer be able to pick up any items with a **Triangle No. 6 or plastic bags** of any type as part of curbside recycling. This means no thin plastics or plastic bags with or without a recycling triangle. We will still accept plastics marked #1 - 5 and plastics numbered #7. Please visit our website for additional information.

## Stormwater Fee Information

You may have noticed a new charge on your Environmental Services Bill this month. A Stormwater Fee was enacted by the Board of Supervisors at its July 10, 2018 meeting. Like many other communities across the State of Pennsylvania, we are facing increased costs to comply with the ever-tightening restrictions placed by the Municipal Separate Storm Sewer System Program, a subdivision of the Clean Water Act. For us, this means additional costs of more than \$450,000 every year to achieve compliance and pass random DEP audits.

Several options were considered for funding the program, including a property tax increase, but the decision to apply a fee, much like the sanitary sewer fees, was made so ALL property owners will pay this fee based upon the amount of impervious surface they have on their property (i.e., the amount of storm water runoff they contribute). Additionally, per State law regarding storm water fees, funds generated can only be used to comply with these DEP regulations and nothing else. Monies received from this fee will be placed in a separate fund to complete stormwater projects.

We will be completing several large stormwater projects over the next several years to improve water quality and we will keep the public informed and involved.

A Live Well Allegheny Community
