Directions for filling out the North Fayette Township Application for Subdivision and/or Land Development:

1. Under Plan Name, please enter the name of the subdivision plan or a name for the land development project, i.e. Smith Plan of Lots Subdivision Application or Smith Development Corporation Building Expansion.

2. Under Type of Plan, please place a checkmark in the appropriate box. Your answer will depend on the type of plan, number of lots/dwelling units, and/or the square footage of the proposed project.

3. Under Type of Approval, please place a checkmark in the appropriate box. Please note it is possible to apply for both preliminary and final approval at the same time. This is a fairly common practice for minor subdivision applications and minor land development applications.

4. Under Plan Information, please provide all of the information requested. Specifically, please put the property address under Plan Location, provide the Allegheny County Lot and Block number for the property as well as total acreage on site, the number of lots or parcels involved in the proposed subdivision or land development, the current zoning of the property, the proposed land use, list any known variances, modifications, or waivers previously granted for the site, and any modifications or waiver requests being submitted as part of the current application.

5. Under Applicant Information, please provide all necessary contact information for the applicant and also list the applicant’s interest in the property, i.e. owner, agent, lessee, or other.

6. Under Property Owner Information, please provide all necessary contact information for the owner in the spaces provided.

7. Under Engineer/Architect/Surveyor Information, please provide all necessary contact information for the person and/or company that helped to prepare the subdivision and/or land development plans.

8. Under Financial Custodian Information, please provide contact information for the financial custodian for the project. This is the contact person and/or company that will be responsible for all engineering, legal, and other related review fees associated with this application. If the original escrow deposit is depleted, the financial custodian will be billed for any remaining fees owed and asked to replenish the escrow account. The financial custodian may be the property owner, the applicant, or another entity.

9. Under Subdivision and Land Development Fees, please place a checkmark in the appropriate box and provide a check made payable to North Fayette Township for the proper amount owed for the application fee. Please note this fee covers the Township’s administrative costs for processing and reviewing the application.

10. Under Township Consultant Fees, please place a checkmark in the appropriate box and provide a check made payable to North Fayette Township for the proper amount owed for the consultant fees/escrow deposit. This fee is separate from the application fee explained under item 9 above and thus should be on a separate check. In summary, separate checks should be provided to cover the application fee and the escrow deposit.

11. Under the Statement of Truth section, please place a checkmark in the appropriate box, i.e. if you are the owner of record filling out the application or an authorized agent for the owner. In addition, please place a checkmark and provide your signature in the appropriate signature box, i.e. individual applicant, partnership applicant, or corporate applicant.
Process and Procedures for Subdivision and Land Development Applications:

1. North Fayette Township’s Planning Commission meets on the 3rd Tuesday of every month at 7:30pm at the North Fayette Township Municipal Building at 400 North Branch Road, Oakdale, PA 15071. The applicant, or a representative for the applicant such as a surveyor or engineer, is required to attend the meeting to present the plan and give an overview of the project.

2. Subdivision and Land Development Applications are due four weeks prior to the Planning Commission meeting date. The deadlines and meeting dates for 2018 are as follows:

3. A total of **14 copies** of the application and any supporting materials, plans, and drawings should be submitted by the deadline. Specifically, **three (3) full-size and 11 half-size plans** (can be 11x17) should be submitted, along with **one electronic submittal**. The electronic submittal can be saved to a CD-R or thumb drive and/or can be emailed to lludwig@north-fayette.com. For bound reports such as geotechnical reports, stormwater management reports, etc., three (3) copies are needed with the submission.

4. Please remember to sign and date the application and to submit the appropriate application fee and escrow fees.

5. All Subdivision and Land Development Applications go before the Township’s Planning Commission for review first prior to going before the Township’s Board of Supervisors for approval.

6. The Township’s various ordinances related to land development, including stormwater management, grading, subdivision and land development, and zoning are available on the Township’s website to download or hard copies can be purchased at the Township municipal building for a nominal fee.

7. For additional questions regarding the subdivision and land development application process, please contact Laura Ludwig, Community Development Director, at 724-693-3104 or lludwig@north-fayette.com.
