

**TOWNSHIP OF NORTH FAYETTE
ORDINANCE NO. 445**

**AN ORDINANCE OF THE TOWNSHIP OF NORTH FAYETTE,
ALLEGHENY COUNTY, PA, AMENDING ITS CODE OF ORDINANCES, CH.
18, SEWERS & SEWAGE DISPOSAL, PART 6, SEWER CERTIFICATE OF
COMPLIANCE, §610, VIDEO CAMERA INSPECTION, TO REQUIRE POST-
REPAIR VIDEO CAMERA INSPECTIONS AND SUBMISSION OF DIGITAL
COPIES OF ALL VIDEO CAMERA INSPECTIONS.**

WHEREAS, pursuant to its authority under the Second Class Township Code, 53 P.S. §65101 *et al.*, and under Chapter 18, Part 6, §610 of its Code of Ordinances, to oversee and regulate lateral connections to its sanitary sewer system, the Township wishes to amend Ch. 18, Part 6, §18-610, Video Camera Inspection, first, to require that post-repair video camera inspections be performed, and, secondly, to require submission of digital copies of all video camera inspections.

NOW, THEREFORE, the Board of Supervisors of the Township of North Fayette hereby ordains and enacts the following amendments to Chapter 18, Part 6, §610 of its Code of Ordinances:

SECTION 1. That the North Fayette Code of Ordinances, Chapter 18, Sewers & Sewage Disposal, Part 6, Sewer Certificate of Compliance, §18-610, Video Camera Inspection, is hereby amended to read as follows (amended text as underlined):

§18-610. Video Camera Inspection.

1. As part of the document of certification application process, outlined in §18-604 through §18-608 of this Part, in addition to the dye test performed by a plumber registered and licensed by the Allegheny County Health Department, the Township of North Fayette does hereby require a video camera inspection of the private sewer lateral performed by a plumber registered and licensed by the ACHD, *a copy of which shall be submitted to the Township in such compatible digital format as may be specified from time to time by the Township.*
2. When, as a result of a video camera inspection, it is determined that there is a defect in the private lateral whereby stormwater, surface water, or ground water is being allowed to flow into the private lateral, no document of certification will be executed until the private lateral line is repaired. *Following repair, a plumber registered and licensed by the ACHD shall submit a written certification of such repair(s), along with a copy of a post-repair video camera inspection in such compatible digital format as may be specified from time to time by the Township.*

SECTION 2. REPEALER. All prior Ordinances or parts thereof inconsistent herewith are hereby repealed only to the extent of such inconsistency.

SECTION 3. INVALIDITY. The invalidity of any part of this Ordinance shall not affect the validity of any other part of this Ordinance or section thereof.

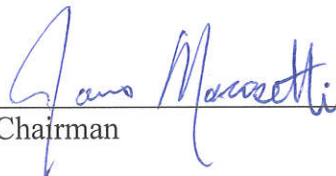

SECTION 4. EFFECTIVE DATE. This Ordinance shall be effective upon enactment as provided under law.

ORDAINED AND ENACTED INTO LAW this 12th day of September, 2017.
